We have program structures available to support any size government entity, including large deductible self-insured retention programs, aggregate deductibles, risk retention pools, and captives. These structures allow Wine Sergi to tailor our programs to meet your specific needs.

### FINANCIAL STRENGTH

Our partners consistently have high (A.M. Best) ratings of financial strength, which equates to superior claims processing and payment.

### RISK CONTROL SERVICES

Considered to be among the best in the industry, our dedicated risk control group offers services that are critical to a comprehensive insurance program. Our consultants work exclusively with government entities to help you prevent and control business losses.

### CLAIMS SERVICES

Our claim professionals understand state-specific issues and have extensive knowledge of the immunities and special defenses afforded to government entities. We retain defense counsel who specialize in and understand the complexities of public entity legislation. We understand that responsive, efficient and effective claim handling is of the utmost importance to you.

### UNDERWRITING

Our underwriters stay up-to-date on legislative issues, as well as evolving legal and social issues. We develop balanced solutions to meet each client's unique situation.
