

BizAssure: Understanding the Program Benefits

WINE SERGI
INSURANCE

Business Solutions for Government Entities

Recognizing the risks that government entities must deal with doing business today, go far beyond exposures that are addressed by insurance alone. Wine Sergi and our service partner BizAssure, provides resources related to Legal, Human Resource, Worker's Compensation and Safety, Accounting, along with on-site training opportunities on numerous related subjects. Wine Sergi is the BizAssure Anchor Agency in the State of Illinois allowing us the ability to provide an unprecedented level of professional services to our government entity clients.

Wine Sergi—providing government entities with the “Definitive Client Experience”.

Are you receiving these benefits from your agent?
